DEMOCRATIC CAUCUS.

The democrats of Mesa met in the city hall Thursday night for the purpose of nominating men to be voted for at the primary to be held Saturday, Sept. 24th, for delegates to the democratic county convention. W. J. LeBaron was called to the chair and P. T. Pomeroy was made secretary. The work before the meeting was named by the chair and the caucus proceeded at once to nominate delegates, with the following results: J. H. Pomeroy, D. Dudley Jones, J. L. Waring, Don C. Babbitt, H. L. Chandler, O. S. Stapley, C. R. Hakes, W. A. MacDonald, J. E. Drane, Jr., Geo. Johnson, W. J. LeBaron, W. A. Burton, M. C. Phelps, W. K. Bowen, W. L. Shirine, J. E. Drane, Sr. The nominations were then closed and after a few roasting speeches the caucus adjourned. At an informal meeting held after the caucus, it was decided that Mesa precinct would ask for an assemblyman. A discussion of who it should be followed, and an expression of opinion was made in favor of J. H. Pomeroy, and he responded that he would be the nominee of the precinct and would be assured that he would have the support of the democrats in the convention, he was willing to have his name placed in the convention. A general expression followed favoring the nomination of J. H. Pomeroy as assemblyman. However in order that the entire democracy should have a say in the matter it was decided that a mass meeting should be held Monday night at the city hall to get an expression of the democracy of Mesa if they were willing to support Mr. Pomeroy, or as to who they wanted to represent them in the assembly the next session. And the secretary was instructed to have notice of the same inserted in the paper Friday, Saturday and Monday so that the entire democracy could be present.

DEMOCRATIC PRIMARY.

The democrats of Mesa held a primary election at the city hall today. J. H. Pomeroy was inspector and J. L. Waring and W. A. MacDonald were judges. The following were the elected delegates: W. A. MacDonald, C. R. Hakes, W. A. Burton, J. L. Waring, O. S. Stapley, J. H. Pomeroy, H. L. Chandler, M. C. Phelps.

HOME DRAMATIC CO. OPENING.

The Home Dramatic company scored another grand success in their opening Friday night in "After Twenty Years." The entire company did splendid work, and a large and appreciative audience greeted them. The company repeated the play Saturday night.

Hundreds of lives saved every year by having Dr. Thomas' Electric Oil in the house just when it is needed. Cures cuts, burns, cuts, wounds of every sort.

It's funny how anybody can judge how much better it is for his health to be out in the free air at the races than to be shut up in a stuffy car—New.

DODGED THE BLOW.

Bishop Henry C. Potter tells a story of a clergyman who went west to direct a Sunday school class. After a short discourse he wound up by saying in a very paternal and condescending way: "And now is there a-a-n-y little boy or a-a-n-y little girl who would like to ask a question?"

Getting no response, he repeated his query, and then a shrill, piping little voice, in the rear of the room called out:

"Please, sir, why did the angels walk up and down Jacob's ladder when they had wings?"

"Ah—yes—I see," said the nonplussed teacher. "And now is there a-a-n-y little boy or girl who would like to answer little Mary's question?"
